Keep in Prayer

Emily Harwood- Emily is on visit 6 to sacred heart this week, and day 5 of chemo. Her red blood cells are low, so she will be getting blood while we are here. All in all, she is doing well and hanging in there.

Brittney and Stephanie Fink- For God to be working in their dad's heart to soften it and give him a heart of compassion and sensitivity to what the girls are going through, as well as a heart that would desire God.

Sharian Johnson- The procedure on Tuesday to get screws taken out of her ankle went very well. Please pray for wisdom for her and her doctors regarding her rehabilitation PT and for her peace and healing.

Lorilee Padget- Lorilee is continuing to improve in baby steps. Please pray the pneumonia would end, that she could tolerate more food so she can get rid of feeding tubes (swallowing is better), for continued healing of lungs, for strength to walk, stand up, etc., and for mental stamina while in isolation.

Carmen Stewart had a PET scan this week, and it showed that the chemo she has been receiving is not working, and her cancer has advanced. She will be trying another treatment and is requesting prayer for it to be effective. Please pray for strength and encouragement for her during this time.

Bonnie Haycraft- A worker at her facility, Honeysuckle Senior Living Facility, has just tested positive for Covid-19. Please pray that God will stop the spread of the disease and that God would protect Bonnie and her co-residents.

Year-to-Date Giving as of April 13, 2020

General Fund Needed: \$205,223 Received: \$145,434

Global Outreach Highlight

Rob & Noelani Cheeley—*Bless China International*

A young pastor I had disciplined 15 years ago (but hadn't seen since he moved long ago to a remote area) phoned and asked if we could meet. The encouragement of this brother's words are a great blessing to us. God had been showing him that, although the government is slowly shutting down our projects, our work is not dying out, but rather growing, and will continue to grow through all the lives we have influenced. He mentioned that in the past decade he has:

- planted six lasting churches
- led a couple hundred people to Christ
- taught a few thousand Bible studies
- disciplined quite a few faithful Christian leaders- who have been faithful to disciple others also

He expressed his appreciation for helping him and others see the deeper meanings of the Bible, to walk in the Spirit, to worship as the primary work following Jesus, and by His power to see His light and life so that we are bringing a true gospel to the people here.

We thank each of you for your part in bringing abundant life to so many through this ministry these past 28 years. We are exceedingly grateful to God for you, the fellowship we share in Christ, for your friendship, prayers and generous giving. Mostly, we are thankful for the many Chinese Christians who now live and serve our Lord in Yunnan and in many "regions beyond" because of our partnership.

Praises:

- ◆ We were granted a three-year work permit and residence visas!
- ◆ Grace delivered a healthy baby girl the week before Thanksgiving: Verity Tandia- 7lbs, 13oz. Meilana & Trajan happily welcomed baby sister.
- ◆ We successfully moved to a new apartment in Kunming. Thank you for your loving concern and prayers.

Prayers:

- For the grieving and adjusting families of two of Noe's relatives who passed away last year
- That the new structure of the autism and rehab projects in Kunming will allow them to continue to thrive, and for extension of their work permits and visas.
- For businessmen in Brazil who are getting more involved in financial support of missionaries

Update since COVID-19:

Most church meetings went to virtual platforms three months ago. All IT approaches in China are closely monitored by the govt, so that makes one susceptible to their persecution. All are being asked to report to the government if they see meetings of more than 3 going on. It is no small oppression, and about to get much worse. **Please pray for the strength of faith among Chinese believers to grow.**
