**April 5th, 2020**  
**Online Sunday Gathering**

**Keep in Prayer**

**Emily Harwood-** Emily was discharged from Sacred Heart on March 15<sup>th</sup>, as her ANC numbers were up and so far, all bone marrow tests have come back negative. Today (Tues. 3/31) she's back to the hospital for chemo and the 72-hour watch. The medical staff are trying to do this without a steroid. *(Follow Emily's progress on Caringbridge.com- search "emilyjodimattharwood" to find it)*

**Amy Ramos-** Praise God-Robert's COVID test came back negative. He's home, still recovering from a cough but out of isolation. Please pray for continued improvement leading to complete healing.

**Lorilee Padget** (Denè Joubert's mother)- On Monday she passed the breathing trial and the breathing tube has been removed. Her fever has come down and she is doing well off the ventilator and breathing tube. Please pray for continued improvement leading to complete healing.

**Carmen Stewart-** The Lord took care of Carmen's white blood cell count- no infection and her hemoglobin is up as well. She was able to start her chemo and is feeling good. She feels the Lord working through the prayers of her church family and so appreciates them!

**Diane McGwier-** Diane is doing better but still not well. She is developing pneumonia and is anemic, but COVID test is negative. Please pray for healing.

## Global Outreach Highlight

Grant & Kathleen Bye– Bogotá, Columbia  
*In Ministry to Children (IMC)*

After 21 years of service, Grant & Kathleen are sensing the Lord leading them to retire from missionary work in Columbia in July and return to America. They will stay in Columbia until their house sells, hopefully by the end of the year. **Please pray that their house in Bogotá sells when the time is right.** Grant did not resume teaching when the new school year started in February, but Kathleen continues to tutor to keep their daughter, Amparo, at home with their four children.

Grant and Kathleen are grateful for God's provision through Coeur d'Alene Bible Church and other ministry sponsors and friends in the UK, Canada and the US. Below are some examples of how we have partnered with them to be the hands and feet of Jesus:

- Hospitality to short-term groups coming to build houses at the *IMC farm*
- K-11 education for 40 non-ministry children (outside of *IMC and Children's Vision*)
- Helped put seven young, Christian women through university
- Fed, homeschooled and provided extensive medical and dental care for the Orozco children while their mother was in prison for three years
- Countless emergency expenses and advanced education for ministry kids that the ministries couldn't cover
- Many operations needed by poor women and children that were not covered by the government health insurance
- Improved diets and filtered water for many chronically malnourished children
- Funerals for victims of violence and loved ones of ministry kids when the family could not afford it
- Simple cell phones for low-income mothers and wheelchairs for disabled people

Grant & Kathleen recognize God's constant provision in all things and are grateful to Coeur d'Alene Bible for being a part of their ministry so people can know that He has not forgotten them. Truly "where He leads, He feeds."

**Year-to-Date Giving as of March 23, 2020**

General Fund Needed: \$164,179 Received: \$115,298
