*Keep in Prayer*

**Emily Harwood-** Emily has been home for over a week with a few visits back to the clinic for labs and doctor visits. Her med bag is on a slow drip and she carries it in a small backpack. She has had a good week- gained 3 pounds and her spirits are greatly improved. Please pray for continued good progress with her treatment.

**Lorilee Padget-** Lorilee is home! She is feeling well-no fever or pain, but her red and white blood cell count is low. Please pray she doesn't get another type of infection as her body continues to heal. As far as sending her cards, her address is 16310 SE 48<sup>th</sup> Dr. Bellevue, WA 98006.

**Mandie Strom-** Mandie's surgery went well. She is just very tired, and Naomi is helping to care for her and the family. Please pray for continued healing.

**Sharian Johnson-** Sharian is experiencing severe fatigue. Pray for energy, as well as perseverance through painful physical therapy to get her leg healed. Also, for her sister who may need surgery for a bowel obstruction, and is in tremendous pain.

**Melinda Ridgewell-** Melinda had her six month CT scan and it was clear! Praise God- three years cancer-free!

## Global Outreach Highlight

Mark & Cyndi Parris- South Africa  
*In Touch Mission*

### Praises:

We are thankful for the growth we have seen in the Durbanville Community Church- both numerical and in commitment to small groups. It has been great to see people who have no hope coming to church!

A church member named Vuyo in Khatelitsha has stepped up to plan youth activities and outreach in his community.

Joel and Estie Parris and family were in South Africa for most of December. It was so good to have family together!

### Prayer Requests:

- ◆ A man who has been a vital part of the ministry is moving to Iraq. They need another person to join the team to minister to about 30 kids.
- ◆ A man is being considered to pastor a community in Kalicha, the second largest city. There is great need for more churches there.
- ◆ Pray for Austin and the youth ministry, for the gospel to impact lives and for them to grow in their faith in Christ.
- ◆ Cyndi's high school students are struggling with apathy and inconsistency, largely stemming from a broken culture of alcoholism and hopelessness.
- ◆ The electricity often goes off and we are without power. Please pray for provision for a power inverter so we can run on batteries during these times. The cost in USD is about \$1,000.
- ◆ Pray for provision to replace an iPhone that is broken.
