Keep in Prayer

Patti Rosburg makes her way home today! Please pray for a healthy and safe journey from Mississippi to Idaho.

Lorilee Padget- Lorilee's blood count numbers are improving, as well as other effects of COVID and the infections. She begins physical therapy and chiropractic this week. She is getting better and better at daily chores and her stamina is improving. She will soon be coming to Idaho to stay with Dene for a few weeks. She is very thankful for the prayers, cards, encouragement and support (the front desk at the hospital thought she must be a celebrity) and asks for continued prayer for complete recovery.

Sharian Johnson- Sharian's sister, Beth is home from the hospital- yay God! Her system is still not completely OK. Please pray for complete healing. Also, her half-bro & sis-in-law, Tyler & Rena have been trying to adopt with some complications. But after a 2-hour meeting with the birth parents (quite unstable), they signed away all rights to baby Jules. On Monday Jules was officially adopted and is forever theirs! God is moving mountains; please keep praying!

Prayer Requests:

- ◆ Pray that God would raise up more volunteers! Also pray for the current volunteers to be guided by the Holy Spirit as they build relationships with clients.
- ◆ Pray that God would raise up more churches to partner with Love INC. This is a practical solution for churches and the issue of needs requests, as Love INC initiates a relationship with the individual, verifies the need and refers them to the appropriate church to best meet their need and make a spiritual connection to begin to present the gospel.
- ◆ Pray for healthy growth of the ministry as God directs and as the community has need, and for God to reach the broken.
