

PERSPECTIVES

Perspectives on the World Christian Movement is a 15-week course where you will interact with many of today's most dynamic and thoughtful cross-cultural thinkers. It brings together a powerful group of evangelical leaders, professors and global visionaries who will lead you on a voyage of discovery- a voyage that traces God's global redemptive strategy for all mankind from the beginnings in Eden to its conclusion around the Great White Throne in the book of Revelation. Winter 2019

Interest Groups are designed for people to connect together and live in response to the gospel of Jesus Christ. Our desire is that Interest Groups serve those who want to learn, grow and mature in their faith in the person of Jesus Christ.

Some groups are relational at heart, providing a rich Christ-centered context for people to live out their God given passions and gifts in community. Other groups are activity based (basketball, fly-fishing, hiking, etc.) and provide an easy way to connect with others. And then other groups are specifically driven by content (theology, Bible, parenting, etc.) in order to equip us well for engaging our world.

Groups meet on Sundays and also throughout the week. The launch date for this season of groups begins the week of Sunday, Jan 20th, 2019. You can sign up in the church lobby, or through the church website.

Spiritual growth best happens within the context of healthy community, and so if you want to grow and mature in Christ, it makes sense to get involved. We look forward to seeing you in a group.

CDA Bible: Room S305

The Bible is a single narrative. It's an amazing story and it's absolutely worth knowing! We may be familiar with individual Bible stories, but we often don't understand their place in the larger biblical narrative. This course will cover the Gospels and Acts and is the first of three courses in this New Testament. Come and join us as we learn and grow together in God's Word!

EVANGELISM

Facilitator: Duane Craddock

Sundays, 8:30-9:45 am
Jan 20 - March 17 (9 weeks)

CDA Bible: Room S301

Real people need a real Savior! They need real people to tell them the really good news of Jesus Christ in a way they can understand. To some, this comes naturally, and to others of us, this is plain intimidating. Somehow though, God gives us grace as we are obedient to share our faith. Come and join us as we trust the Lord together, especially in how he might use us in the lives of people around us.
