The book of Genesis is a piece of literary art. The themes at play in this book span the entire Bible, and its composition teaches us much about how to read the rest of the Bible. If you want to grow in your understanding of theology and biblical literature, then come and join us for a lively discussion on this amazing book! Suggested articles and readings are par for the course.

Spring 2019

Interest Groups are designed for people to connect together and live in response to the gospel of Jesus Christ. Our desire is that Interest Groups serve those who want to learn, grow and mature in their faith in the person of Jesus Christ.

Some groups are **RELATIONAL** at heart, providing a rich, Christ-centered context for people to live out their God given passions and gifts in community. These groups are designed to be on mission for Jesus in the normal everyday rhythms of life.

Other groups are specifically driven by **CONTENT** (theology, Bible, parenting, etc.). We want people to grow more deeply in their understanding of God. When we understand who He is and what He has done, then out of this rich context we are able to understand more deeply who we are and what we are called to do.

And then we have other **ACTIVITY** based groups (basketball, fly-fishing, hiking, etc.) and provide an easy way to connect with others. These are great groups for anyone to plug into. So join a group and invite a friend...

Groups meet on Sundays and also throughout the week. The launch date for this season of groups begins the week of Sunday, September 16, 2018. You can sign up in the church lobby, or through the church website.

Spiritual growth best happens within the context of healthy community, and so if you want to grow and mature in Christ, it makes sense to get involved. We look forward to seeing you in a group.
